Filing Information

Be sure to complete all applicable items to the best of your knowledge. Use zeros and N/A if needed.

DUE DATE-Annual reports are due when the Kansas annual income tax report is due, generally the 15th day of the sixth month following the close of the tax period. *State law provides that, in addition to penalties, the failure to file the annual report or to pay its annual taxes within 90 days of the time for filing and paying will result in the forfeiture of the corporation in Kansas.* The annual report must be filed every year if the corporation wishes to remain in good standing in Kansas.

EXTENSIONS-An extension of the filing deadline may be obtained by submitting a written request to the Secretary of State. The request for extension must be filed not more than 90 days after due date of the annual report. No fee is necessary until the report is filed.

INTERIM REPORT-An interim report must be filed if the tax period changes. There is a fee of \$20.00. An interim report cannot be filed for a period greater than 12 months from the date of the last report filed.

AMENDED REPORT-If this is an amended report, indicate by printing "amended" at the top of the first page. There is no fee for filing an amended report.

Helpful Information
